++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry on Saturday but some rain on Sunday.

Today:
Largely dry for most of today but isolated showers are possible in the west. Rather cloudy but a few bright or sunny spells are likely as the southerly breeze freshens. Maximum temperature 15 deg C (59 deg F).

Tonight:
It will stay largely dry at first, however there is an increasing chance of occasional showery rain reaching the Cornwall and Devon later. Staying mild overnight. Minimum temperature 8 deg C (46 deg F).

Sunday:
Occasional rain spreading from west to east across the region. Brighter conditions with a few showers following into the west during the afternoon. Generally on the breezy side. Maximum temperature 16 deg C (61 deg F).

Outlook for Monday to Wednesday:
Showers or some longer spells of rain on Monday. Largely dry with some sunny spells on Tuesday and much of Wednesday. Breezy at times and becoming very mild by midweek.
